

Move-out Cleaning Checklist

Perfect for tenants or homeowners handing over the keys.

Whole House

- Remove all personal belongings
- Dust baseboards, door frames, and windows
- Vacuum and mop all floors
- Patch and touch up wall holes or scuffs
- Clean ceiling fans and light fixtures

Living Spaces

- Dust blinds and clean windows
- Vacuum behind furniture and in corners
- Remove nails, hooks, and residue from walls

Bedrooms

- Vacuum
- Run final check for belongings

Bathrooms

- Scrub toilet, tub, sink, and tiles
- Disinfect all surfaces including handles and faucet heads
- Clean and disinfect cabinets and drawers
- Replace toilet seat if needed

Kitchen

- Empty and clean refrigerator and freezer
- Clean inside and outside of oven and microwave
- Wipe cabinets and drawers inside and out
- Sanitize sink and remove limescale
- Clean countertops and backsplash

Pro Tips

- Take photos afterward
- Use a checklist required by your landlord if available
